## From the Incoming President/Treasurer

JL and Linda Pelton

Greetings to all,

As incoming president, Linda and I are looking forward to a great year of dancing and fellowship. Linda, of course, is continuing in her role as Treasurer for TRDTA and we have money in the treasury.

We would like to thank Dennis and Tricia for the work that they have done for the organization, especially over the years they have served as Presidents of the organization.

We know that many of you are busy getting ready for upcoming events. Some of these events are the Roundalab Convention, June 21-24, and the National Square Dance Convention, June 24-27. Both of these events are in Waco.

The ICBDA Convention July 7-11 is in St George, Utah, this year, and we hope to see some of you there. Also upcoming is the Fall TRDTA dance, September 11-12 in La Grange. Be sure to encourage your dancers to attend.

The CENTEX dance festival is October 9-11 and features Randy and Marie Preskitt. The Harvest Holiday festival is November 13-15 in Ft Worth and features Rey and Sherry Garza. We hope that you will attend as many of these events as your time will allow.

*President (Elect) / Treasurer*

## From the Incoming Vice President

Tammy and Marvin Lee

Marvin and I are looking forward to supporting TRDTA and round dancing as Vice Presidents in the 2026-2027 term. We're thankful for the previous board that served several terms and we appreciate our fellow board members willing to serve now.

We feel TRDTA's future is in good hands. Like others, our organization has seen some reduction in participation and in membership. It's especially crucial now that everyone work together to ensure TRDTA is, as it was intended to be, a fun, helpful, effective group of cuers who love to teach and cue. Yet, there is much to do and fewer hands to do things with so if you're asked to help, won't you please agree? Better yet, dream up an idea for improvement and send it to the board yourself?

*Vice President (Elect)*

## My First Newsletter as Editor, "Sort Of"

Ron and Pat Plouch

An update from the Fall Newsletter. I volunteered to take over the Newsletter from Linda Pelton after several years of fantastic service to the Newsletter. She and JL are taking on the work of being the President and the Treasurer, so I figured they needed a break. This however, is not our first Newsletter Editor rodeo as we were the newsletter editors a

couple of editors ago. Mia Copa... I can't honestly call myself an editor, but more of a Newsletter Complier. I'm a numbers/algorithm guy rather than a language one, so please be patient with me.

I apologize that the request for articles and therefore the distribution of the Newsletter is late this edition. I honestly just forgot, but I've ask my secretary (my phone) to remind me for future editions, so hopefully the request for inputs will be more timely going forward.

# Texas Round Dance Teachers Association

Our class has been busy attending festivals since early this year. Most of us attended the January Jewel, Houston Festival, ORDA, and Heartland. We spent much of our class time teaching or reviewing dances that were on the festival programs, as well as teaching several new dances.

We also attended the Worlock's Winter Colossal in Florida and had a great time dancing and learning the wonderful new dances that were taught.

Most of our class will be attending the NSDC in Waco in June. We are also looking forward to the Texas State Festival and ICBDA.

We are excited that our latest choreography, 10,000 Hours, has been included in the top Carousel Club teaches recently. We will be presenting new dances at NSDC and ICBDA and have been very busy with the choreography and dreaded cue sheets.

It's been a fun year already!

Combined both Carousel 203 and 323. Both taught by us at 2 different venues in Mesa, AZ. Randy & Marie Preskitt filled in for us in January. Our season runs Nov – Mar, so no dances taught by us in April or May 2026.

Notes: Our full season from Nov – Mar went exceptionally well this year. Both of our venues were in good shape & we had very few cancellations. We had lots of great dances to teach and full crowds to teach them too! Both of us did well health wise this year and we've already got confirmation of our venues for a full schedule again next year! Plenty of time to plan to come visit, whether you are a regular or just want to check it out for the first time! Feel free to contact us for help and/or advice!!!! We regularly coordinate with Bill & Carol Goss and Randy & Rose Wulf and all the other teachers here in the Arizona valley. There is no better place on earth to spend the winter! Come on down!!! If anyone wants to see what's going on here, they can see everyone's schedule on our Mesa website - <https://rounddancing.azphx.com/index.html> My website shows our recent teaches, the dance programs, & our calendar & demos. <https://gphurd.com>

Needless to say, our dancing activities have slowed down since the beginning of the year. We were able to go to Shreveport, LA for the “January Jewel” to teach but after that our dancing and teaching came to a big halt.

Kay was experiencing pain in her right foot not only when she danced but when she was walking. She had been getting shots in the foot to keep her going but the doctor said she was at the point they would not work anymore. The CT scan showed her only way to gain relief was to have surgery. She followed the doctor’s advice and spent the

next 6+ weeks in a boot and then 4 in a special shoe. When the doctor finally released her most of the springtime was gone and we are now preparing for the summer dance season with a brand-new foot! She is now up and running, preparing for two state festivals, Roundalab, Nationals and ICBDA . We are now trying to squeeze in our regularly scheduled classes or dances. With so many festivals going on, please contact us prior to arriving at our doorstep, to ensure that we are dancing.

Carousel Club #385, Dance Arounds

There's not a lot to report on, although we keep busy on the dancing front. We've been concentrating lately on refreshing some older dances that are really good dances as you will see by our dance list. We still have a list we're gradually working through.

For a vacation in May, we are taking a river trip on the Douro River in Portugal. We will probably still be there as this newsletter gets published. Thank you, Ron, for taking over the newsletter. We're keeping busy with ICBDA stuff as the Syllabus Chair for St. George, Utah, convention. We will be teaching in the 4-5 hall this year, so JL has been busy documenting his cuesheet. As you all know, that is the onerous part of writing dances. Fortunately, we have a wonderful proofer in Christine Hixson, to help with that. Hope to see some of you there.

Hope you have a great summer,

Ronde Rounds

I finally had that preverbal “Bad Day”, where I called my boss and said, “You’ve got two months to pull all the work and knowledge you can out of me, I’m dropping my papers.” I finally retired the week prior to the February TRDTA Festival and Pat and I’ve have been updating all those Rounds of the Quarter, adding all the dances done at festivals we didn’t have, and going out to walk every morning. We haven’t had time to miss work yet.

We’re finishing up beginning Waltz, and we told our beginning students that we’re not starting another beginning class this year. We want to introduce the rhythms we don’t get to teach very often, bring everyone up to a more common dance level, and give our more experienced dancers, and ourselves a break from constant beginning level classes. And, since we’re both retired now, take some time to go to a few more festivals to get our own floor time and instruction.
